

TECHNICAL RESOURCES DEVELOPED UNDER PROJECT

| Resource name | Resource type | Date of completion | Description | Links |
|--|-------------------------------|--------------------|---|--|
| Phyosanitary Resources Web site | Web site | July 2012 | Developed to host both contributed and IPPC-developed technical resources. | http://www.phyosanitary.info/ |
| E-learning of trade of forestry commodities | E-learning tool (interactive) | March 2013 | Online course for understanding trade in forest commodities and the role of phytosanitary measures. | http://phytosanitary.info/information/trade-forest-commodities-and-role-phytosanitary-measures http://www.fao.org/forestry/foresthealthguide/82418/en/ |
| Dialectric heating treatment quick guide | Factsheet | April 2014 | Guide providing information on dialectric heating as a phytosanitary treatment for wood packing material. | http://www.phyosanitary.info/information/factsheet-dielectric-heating-treatment-wood-packaging-material http://www.phyosanitary.info/information/video-cpm-9-capacity-development-side-session-awareness-raising-materials-pest-risk |
| Managing relationships with stakeholders manual | Manual | November 2015 | A manual for NPPOs to understand how to manage relationships with different stakeholders | http://www.phyosanitary.info/information/managing-relationships-stakeholders http://www.phyosanitary.info/activity/cpm-10-side-session-ippc-technical-resource-manual-managing-relationships-stakeholders |
| Managing relationships with stakeholders factsheet | Factsheet | March 2015 | Factsheet to introduce and promote use of managing relationships with stakeholders IPPC technical resources, available in official FAO languages. | http://www.phyosanitary.info/information/fact-sheet-manual-managing-relationships-stakeholders |
| Establishing an NPPO manual | Manual | November 2015 | A manual outlining the principal requirements for establishing an NPPO. | http://www.phyosanitary.info/information/establishing-national-plant-protection-organization http://www.phyosanitary.info/activity/cpm-10-side-session-ippc-technical-resource-manual-establishing-nppo |

| Resource name | Resource type | Date of completion | Description | Links |
|--|---|--------------------|---|--|
| Operation of an NPPO manual | Manual | November 2015 | A manual outlining the principal requirements for operating an NPPO. | http://www.phytopsanitary.info/information/operation-national-plant-protection-organization http://www.phytopsanitary.info/activit y/cpm-10-side-session-ippc-technical-resource manual-establishing-nppo |
| Establishment and operation of NPPOs factsheet | Factsheet | March 2015 | Factsheet to introduce and promote use, establishment and operation of NPPOs IPPC technical resources, available in official FAO languages. | http://www.phytopsanitary.info/information/fact-sheet-nppo-management-materials |
| Establishing an NPPO training kit | Training kit (workshop training presentation) | December 2015 | A modular training kit for plant health professionals to train in NPPO establishment. | http://www.phytopsanitary.info/information/nppo-establishment-training-kit |
| Operation of an NPPO training kit | Training kit (workshop training) | December 2015 | A modular training kit for plant health professionals to train in NPPO operation. | http://www.phytopsanitary.info/information/nppo-operations-training-kit |
| Import verification manual | Manual | December 2015 | A manual outlining import verification as an aspect of the broader subject of import regulation. | http://www.phytopsanitary.info/information/import-verification-manual |
| Export certification manual | Manual | December 2015 | A manual outlining establishment and operation of a phytosanitary export certification system. | http://www.phytopsanitary.info/information/export-certification-manual |
| Diagnostics manual | Manual | December 2015 | A manual providing a guideline for establishing a plant pest diagnostic laboratory. | http://www.phytopsanitary.info/information/plant-diagnostics-manual http://www.phytopsanitary.info/activit y/cpm-10-side-session-ippc-technical-resource plant-pest-and-disease-diagnostic-manual |

| Resource name | Resource type | Date of completion | Description | Links |
|-----------------------------------|----------------------|---------------------------|---|---|
| Plant pest surveillance manual | Manual | December 2015 | A manual providing information to support surveillance activities that NPPOs need to undertake as part of national phytosanitary systems and for international obligations. | http://www.phytosanitary.info/information/plant-pest-surveillance-manual |
| Plant pest surveillance factsheet | Factsheet | March 2015 | Factsheet to introduce and promote use of plant pest surveillance IPPC technical resources, available in official FAO languages. | http://www.phytosanitary.info/information/fact-sheet-plant-pest-surveillance-materials |
