Open call for new examples of PPPs to strengthen SPS capacity and facilitate safe trade

Joint STDF/IDB Publication on PPPs

Joint STDF/WBG/Netherlands PPP event

Many STDF projects promote PPP approaches, for example:

Strengthening capacity to meet pesticide export requirements in Africa, ASEAN and Latin America

ePhyto: Enhancing safe trade in plants and plant products

Improving phytosanitary controls in Uganda to boost flower exports

Piloting vTPA approaches to improve food safety outcomes in Central America and West Africa

PPP Practitioner Group: To improve the planning, delivery and dissemination of STDF's work on PPPs

Benefit from PPP expertise within STDF members

Exchange experiences and learning

Promote innovations and synergies to expand and strengthen PPPs that facilitate safe trade

Influence and catalyse SPS improvements

PPP Practitioner Group: Expected results

New collaborative relationships

New information and knowledge products

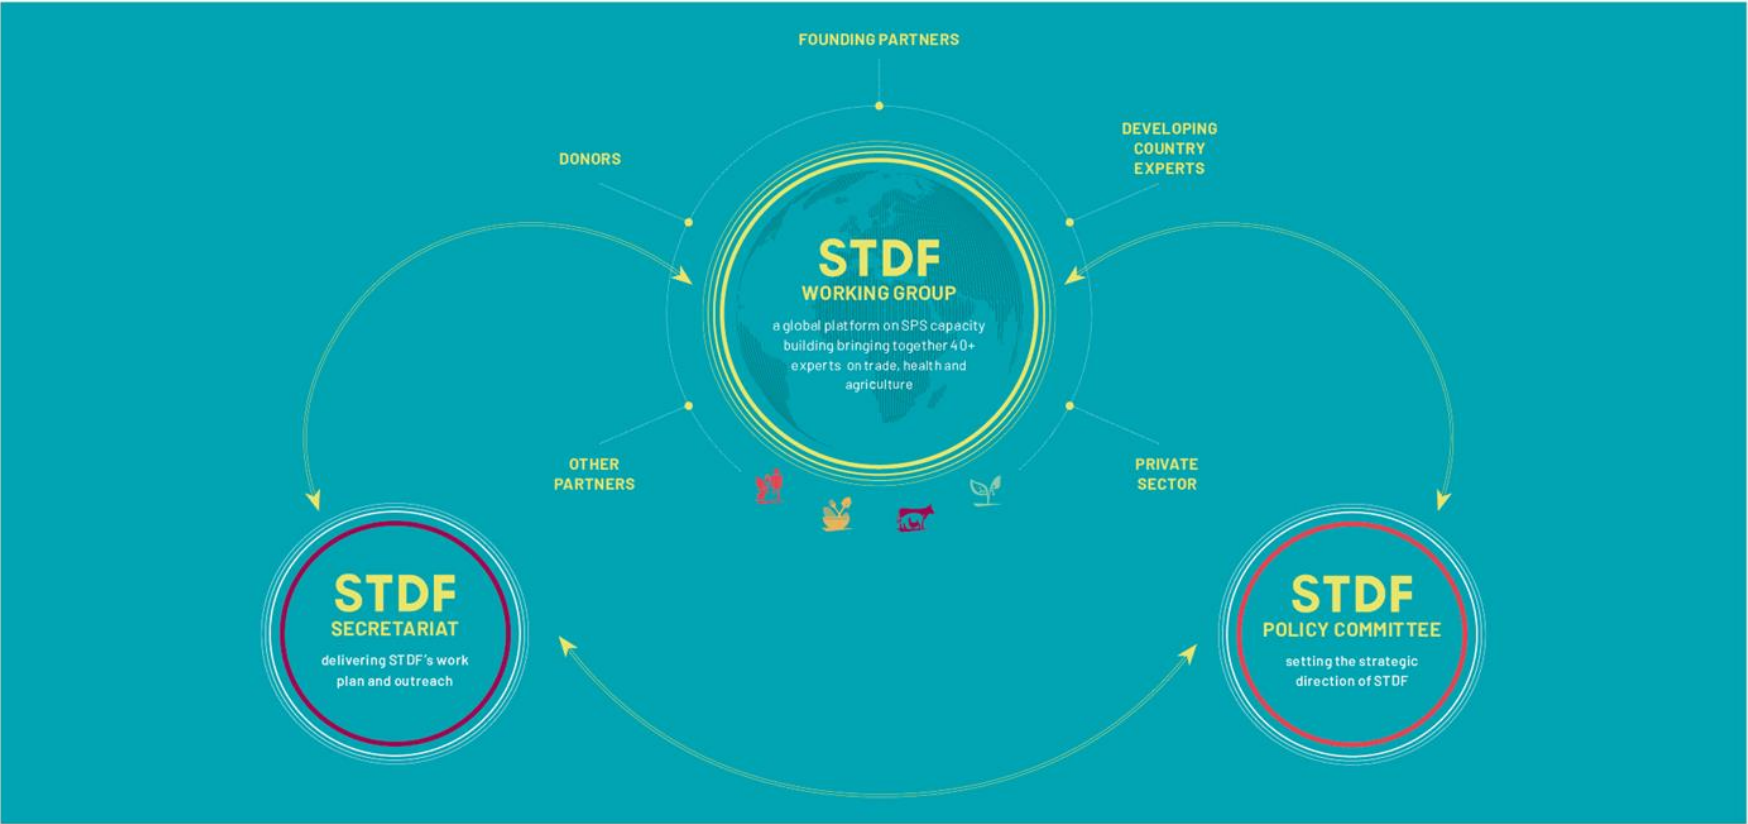

Additional resources (financial and/or in-kind)
to promote PPPs to facilitate safe trade

Other outcomes?
