

BIOGRAPHY

Jonathan KOH

Senior Director,
Trade Facilitation Centre of Excellence

Jonathan Koh heads CrimsonLogic's Trade Facilitation Centre of Excellence team, which oversees CrimsonLogic's flagship trade solutions (Single Window, Customs Management System, Port Community System, Free Zone Sstems); provides domain expertise in trade and logistics.

Jonathan and team provide expertise in the areas of Business Process Modelling, Data Harmonization, as well as developing Reference Models for Trade Facilitation and Customs Administration.

Jonathan is a supply chain strategist with over 20 years of experience designing, implementing streamlined trade processes and regulations and in managing supply chain and trade facilitation projects as well as in advising on business, technology and policy issues,

He has worked extensively in Africa, Asia Pacific, Middle East, and Latin America. He currently serves on the International Advisory Committee for the United Nations Network of Experts for Paperless Trade in Asia and the Pacific (UNNeXT).

Jonathan has hands-on field experience in many Trade Facilitation / Single Window projects. He currently serves as Lead Consultant for the Government of Hong Kong SAR's next generation Single Window, as well as Project Director for Kenya's Single Window project. He also served as an expert resource to Government of Greece, helping to develop Greece's National Trade Facilitation Strategy and Roadmap. He had conducted trade facilitation studies for international organisations including APEC, ASEAN, ADB, as well as for countries including Peru, Mexico, Jamaica, Sri Lanka, Vietnam, Oman, Qatar.
